Please note that the recordings of all past sessions (12 – 14 October) are available on the GA platform.

I very much hope that you were able to engage in the discussion around phase 2 of the Future of Scientific Publishing project yesterday and look forward to seeing you online during our last day in the frame of the 2nd ISC General Assembly today:

- The Free and Responsible Conduct of Science in the 21st Century
- ISC Strategy in the Intergovernmental System
- Adoption of resolutions, any other business
- Outgoing presidential address

All attendees are warmly invited to come on stage at any time during the meeting today for live interventions, live questions and other live inputs. To join the stage, please write "Please bring me onto the stage" in the "Live Q&A and Comments" box and the live support will invite you backstage.

Join the programme via the GA platform by clicking on the respective agenda bar in today's timeline: "BUSINESS DAY 3: Free and Responsible Conduct of Science in the 21st Century, ISC

Strategy in the Intergovernmental System, Resolutions, Outgoing Presidential Address, Closing”.

We look forward to seeing you online shortly, at 11:00 am UTC.

Please do not hesitate to contact me should you have any questions.

With best regards,

Anne
