MEMBERS OF THE ABC ETHICS COMMITTEE

Mandate: May 3, 2022 – May 2, 2025

The document lists the Ethics Committee members of the Brazilian Academy of Sciences (ABC) and details their responsibilities.

It includes the committee's mandate (May 3, 2022 – May 2, 2025) and the names of five appointed members: Alberto Henrique Frade Laender (UFMG, computing), Antonio Gomes de Souza Filho (UFC, physics), Edson Hirokazu Watanabe (UFRJ, engineering), Mara Helena Hutz (UFRGS, genetics), and Nadya Araujo Guimarães (USP, sociology).

THE COMMITTEE'S RESPONSIBILITIES ARE TO:

1. Receive and forward complaints for investigation.
2. Request documents for fact-checking and seek intervention if necessary.
3. Forward relevant cases to appropriate bodies when penalties fall outside the committee's jurisdiction.
4. Adhere to internal procedural rules.
5. Ensure the right to defense for all individuals under investigation.
6. Clarify the code's interpretation.
7. Recommend disciplinary action (private/public warning, expulsion) based on investigations and the right to defense.
